WILLIAM O. LONG

DEDICATION

The fall of 1955 marked the end of a long and distinguished career for one of Sayre's finest teachers, Mr. William O. Long. Serving in the mathematics department since 1919, Mr. Long through his forceful presentation of subject matter, his patience and unfailing encouragement inspired in his students a genuine love of mathematics. His profound interest in the student body extended far beyond the confines of the classroom and gained for him a position of respect unique in the community. Because he has meant so much to so many, the Seniors are honored to dedicate the 1956 Sayrenade to Mr. Long.

BOARD OF EDUCATION

ROW 1—Dr. George C. Meikle, James J. Lynch, Samuel J. Kresge, Milford W. Farr. ROW 2—Frank Cichocki, Dr. Rodney L. Stedge, William A. Griswold, Daniel W. Taylor, Orville C. Eddy, Samuel J. Olisky. ABSENT—Herbert J. Campbell, George Merrill, George Belcher.

EXECUTIVE COMMITTEE OFFICERS

President.....James J. Lynch
Vice-President.....Dr. George C. Meikle
Secretary.....Samuel J. Kresge
Treasurer.....Milford W. Farr

Administering the multiple affairs of the local schools are three elected groups—the directors of the Sayre Areat Joint High School, the board members of the Sayre Area Schools, and the representatives of the Sayre Borough School District. Representatives from each of these groups comprise the Executive Committee.

Thirteen members from the Sayre Area Joint High School Board—seven from Sayre, and two each from South Waverly Borough, Athens Township, and Litchfield Township.

Members of the different boards are elected for a period of four years. Since the terms do not expire simultaneously, there are at all times on the board men experienced in school administration.

The work of the various boards is most time-consuming, not only in the regular monthly meetings, but in the many committee activities as well.

Much appreciation is due the members of the board who give unsparingly of their time and talent that the schools of Sayre may continue to maintain the same high standards which they have held in the past.

ADMINISTRATION

H. Austin Snyder, B.S., M. ED.
Superintendent of Schools

During the years that Mr. Snyder has served Sayre as the superintendent of schools he has become one of the outstanding leaders in the field of education as well as in the community.

He devotes his time not only to the business of seeing that the Sayre schools function properly but also to many state and national associations. Included among these are the Pennsylvania State Education Association, the National Education Association, and the American Medical Association.

However, Mr. Snyder finds time to take a genuine interest in the individual achievements of the students and all the extra-curricular activities of the school and community. Regardless of his busy schedule, Mr. Snyder always has a kind word and friendly smile for everyone. His influence is further extended through his ability as an excellent public speaker.

Through his understanding and keen perspective, Mr. Snyder has contributed much to the enviable position which the Sayre schools now hold. The members of the Class of 1956 fully realize this fact and are certain that they will be better able to face the future because of Mr. Snyder's efforts in their behalf.

Judson F. Kast, A.B., M.A.
Principal

As principal of Sayre High School, Mr. Kast has a multitude of duties. In the course of a single day his program includes anything from arranging a student's schedule to playing a major role in co-ordinating the athletic activities of the school and surrounding area.

In accordance with his athletic interests, Mr. Kast is a member of the District Committee of the Pennsylvania Interscholastic Athletic Association and also of the Athletic Council of the high school. In addition, fitting into his busy program are the responsibilities of vice-president of the Bradford-Sullivan Counties Tuberculosis and Health Society. He also holds an honored position on the Planning Committee of the Pennsylvania Branch of the National Association of Secondary School Principals.

Throughout the entire year, Mr. Kast continues to give unfailing support to individual class and other extra-curricular activities.

Students look upon Mr. Kast as a friend and source of helpful advice when they are confronted with any type of problem.

In his spare time Mr. Kast enjoys the pleasures afforded him by his 80-acre farm. There he works at his hobby of refinishing antique furniture which he collects.

In his years of service Mr. Kast has indeed made a great contribution to the welfare of the student body.

PERSONNEL

Contributing to the successful operation of Sayre High are three units of personnel. These include three secretaries, four cafeteria workers, and five janitors.

The secretaries are responsible for all the book work having to do with the school. In addition they are always ready to help the students fulfill any of their needs which must be cleared through either of the two offices.

The cafeteria workers under the supervision of Mrs. Hicks spend many hours in planning and preparing the nutritious daily lunches which they serve to the students and faculty.

The janitors constitute a very essential part of the staff. In addition to keeping the school clean they are willing to lend their services whenever any plans for special events are in the making.

JUNIORS SPEND ACTIVE YEAR

With but one year remaining in their high school career, the Junior Class participated in many new and important activities.

The project that received the most emphasis was the selection of a class ring. The ring committee, along with the class officers and advisers spent many hours in selecting a number of sample rings to be shown to the class. From these the class voted on one which was proudly received in the spring .

Their first big adventure in the field of dramatics also came in the spring of the year, the annual Junior Play. With many weeks of practice and anticipation behind them, they made a splendid performance on the night of Saturday, April 14.

The social highlight of their eleventh year was the Junior Prom. In a beautifully decorated gymnasium many couples made this night, May 4, indeed one to remember.

The Juniors engaged in various money-making ventures in order to boost the class treasury to a sizable sum. Included in these were candy and bake sales, informal dances, and concession stands at the football and basketball games.

Assuming the positions and responsibilities of leadership in the class were the following officers: Raymond Nobles, President; Leon Park, Vice-President; Margaret Murphy, Secretary; and Joan Mullaly, Treasurer. Working with the advisers, Miss Mason and Mr. Beagle, the Junior Class had a prosperous and momentous year.

SOPHOMORES LAUNCH SENIOR HIGH CAREER

The past year has been a milestone in the high school career of the class of 1958. From the bewildered group of individuals who entered several seventh grade homerooms only a few years ago, has emerged a class conscious of its unity and purpose.

During the seventh and eighth years, much of the activity centered around the homeroom, but in the freshman year various members became part of the athletic teams, musical groups and other school-wide organizations. The annual freshman banquet was planned and brought to a successful conclusion by the class.

A homeroom on the upper floor has been one of the major changes coming with the sophomore year. The highly successful Sophomore Hop, the annual Sophomore Play, and different fund-raising activities have occupied the time and attention of the 10th grade class.

Miss Ruth Tozer and Mr. Max Cooley are class advisers; the class officers include Gerald Pedini, President; William Scanlin, Vice-President; Veronica Lynch, Secretary; Sandra Bond, Treasurer.

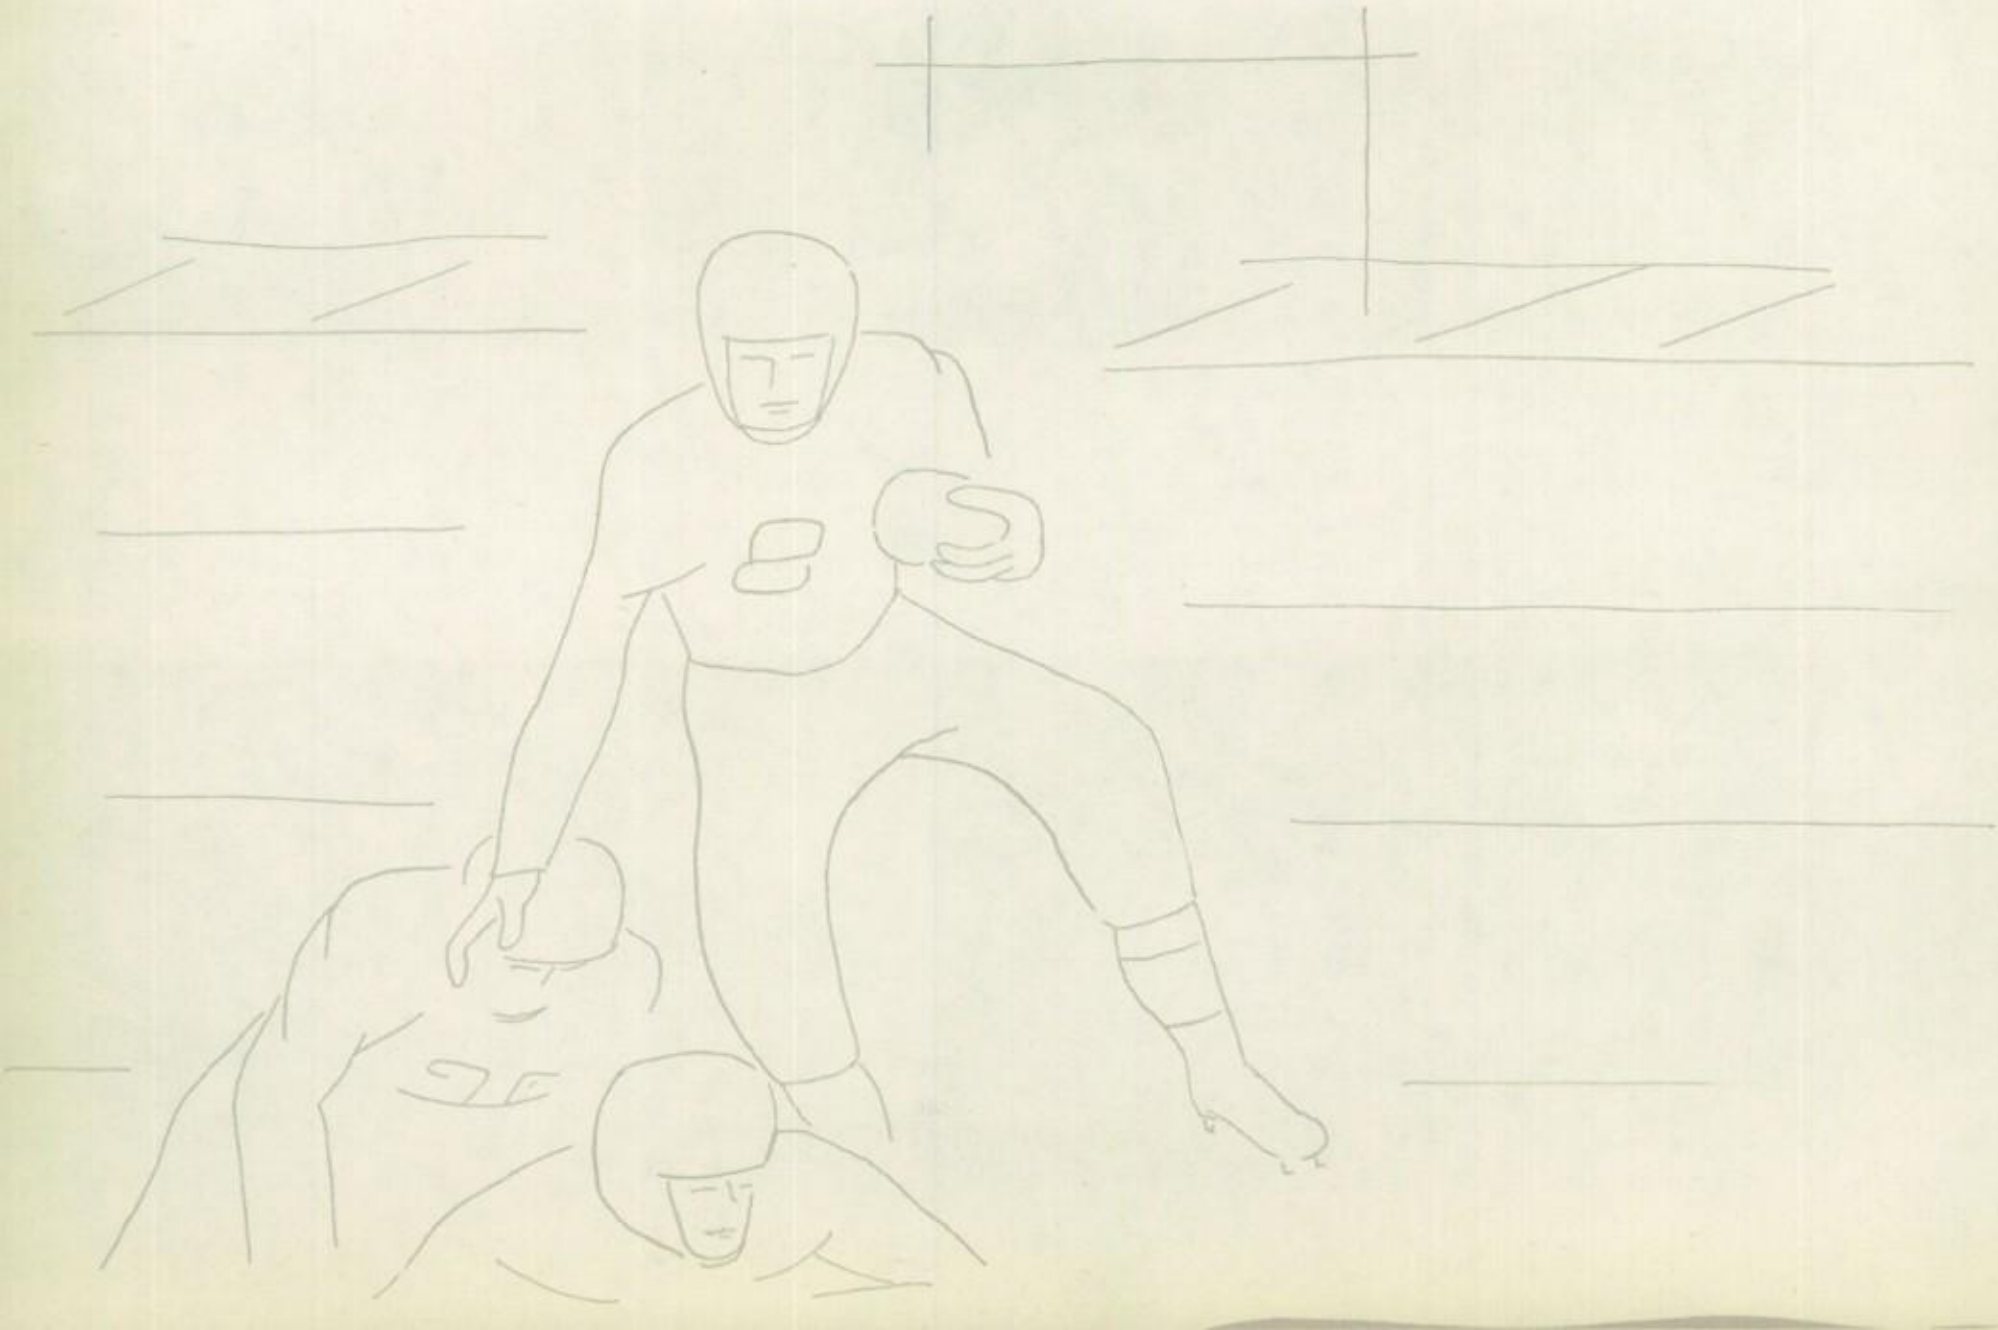
ACTIVITIES



SHS

JUDICIAL

STUDENT COUNCIL

The Student Council is the student-governing body of the school, each homeroom being allowed one representative. In addition both the junior and senior classes elect a delegate-at-large to serve on the Council.

The purpose of the Council is to co-ordinate the student-teacher relationship and to improve any conditions throughout the school that need attention.

For a number of years, supervision of the lunch line has been the major job of the Council. In addition they take charge of an annual clean-up campaign and the yearly sale of book covers. They have also continued work on the individual student extra-curricular activities file. All of these projects are supervised by the sponsor, Miss Tozer.

In November the officers and members were officially installed by the officers of the Troy High School Council. This impressive service was presented in an assembly before the entire student body.

The Student Council is a member of both the National Association of Student Councils and the Pennsylvania Association of Student Councils. Through these ties the Council is a group having objectives similar to those of other Councils across the nation.

NATIONAL HONOR SOCIETY

The distinction of membership in the National Honor Society is conferred on those students who are in the upper tenth of the Senior Class scholastically or who maintain an average of 90% or better. This honor is a valuable asset to students when they are seeking jobs or entrance into schools of higher learning.

The chapter has many objectives; most outstanding is that of creating an enthusiasm for scholarship. Membership in the Society is based on the principles of scholarship, character, leadership, and service.

Juniors who have met the requirements are accepted into the Society as probationary members. After the official induction service they are considered as permanent members.

However at any time during the junior or senior years a student may be dropped from the society if his marks fall below the required standards.

On January fifth the juniors were inducted into the Society by the members of the Spencer Honor Society. The remainder of this effective program was directed by the senior members.

Mrs. Agns Flynn and Mr. Floyd Chaffee assumed the responsibilities of advisers for the Honor Society.

DRAMATIC

NATIONAL THESPIAN SOCIETY

Established for the advancement of dramatic arts is the National Thespian Society. The aim of the Society is two-fold: to better the standards of excellence in all phases of dramatic arts, and to create an active and intelligent interest in this field among high school students.

A point system is maintained by the Society in order to determine student membership qualifications. Points are awarded on the basis of participation in major roles in the full-length or one-act plays, efficient staff work, radio broadcasts, and outstanding work in promoting interest in dramatics in the school and community.

One point represents approximately ten hours of work. A total of thirteen points is required for membership in the Sayre Troupe number 1151.

When a student has successfully fulfilled these requirements he is awarded a life membership in the Society which entitles him to a year's subscription to "Dramatics" magazine, the official organ of the National Thespian Society.

Each year under the sponsorship of Mrs. Wildrick a comparatively large number of students attain this goal.

Recognition as a member of the Society creates a lasting interest in, and a greater appreciation for the dramatic arts.

USHERS' CLUB

A new idea this year is the Ushers' Club consisting of senior high girls who hold class offices or who are members of the Honor Society or the Student Council.

This club provides an excellent opportunity for the girls to learn the art of ushering gracefully and properly. It also gives them a chance to meet the public during such activities as the "Redskin Revue," senior and junior plays, band concert, and at commencement.

The sponsor of the club, Miss Mason, is always anxious to help whenever the girls need advice.

MAJORETTE CLUB

Seeking membership in the Majorette Club is a large number of girls who are interested in learning the skills necessary to become a majorette. Under the expert leadership of the regular majorette squad this prospective group learns the fundamentals of strutting and twirling. Through this training they are better prepared to face the tryouts required to become a certified majorette. The sponsor, Mrs. Cocco, assists the officers in running the club. The head majorette, Phyllis Harris, acts as President. Other officers are: Vice-President, Mary Helen Calveric; Secretary, Jean Kohler; and Treasurer, Janet Horn.

CAP AND CUE

One of the largest and most active clubs in senior high is the Cap and Cue sponsored by Mrs. Wildrick. Its prime motive is to create interest in dramatics among the students. During the meetings the club members read and discuss plays. They also attend various dramatic presentations in this area. As one of their projects the club began a file of theatrical clippings for use by the stage committee in preparing character make-up for school productions.

The club sponsors the National Thespian Society and also awards a prize at commencement to the senior girl and boy who have proven themselves outstanding in the field of dramatic arts.

Row 1: Ashley, Sloat, Daddona, DeWitt, DeSisti, Soprano. **Row 2:** Rumble, Taylor, Thomas, Goodall, Shellard, Erle, Bond, Murrelle, Willson, Scott, Spaulding.

SOPHOMORE DRAMATIC CLUB

The Sophomore Dramatic Club, under the guidance of Mrs. Holst, contributes to the growth of interest and participation in dramatics. This year the club worked especially hard in presenting the Christmas play entitled "Peace on Earth."

In addition to gaining the experience of performing on the stage, the members also learn the technical aspects of applying theatrical make-up and acquire other useful information about dramatizations. The officers of the club include Janet Wilson, President; Elizabeth Taylor, Vice-President; Diana Snyder, Secretary; Eleanor Shellard, Treasurer; and Mary Rumble, Reporter.

MATH CLUB

The Math Club is new this year under the sponsorship of Mr. Robert Smith. The club is made up of approximately twenty-five members who are divided into groups interested in Algebra I, Algebra II, Plane Geometry, Trigonometry, Calculus and other advanced math.

A constitution has been drawn up with the first article naming the club, "The Order of Sorcerer's Apprentices." The four officers elected are "Grand Wizard" (President) Austin Snyder, "Wizard" (Vice-President) Carlo LoVecchio, "Scribe" (Secretary) Kenneth Tompkins, and "Exchequer" (Treasurer) Paul Sutton.

Each week, Mr. Smith outlines a new study plan for each group and presents several trick and puzzle problems.

FUTURE TEACHERS OF AMERICA

The prime objective of the Future Teachers of America Club is to interest students in the career of teaching. Sponsored by Mr. Cooley, the club enjoys social meetings during the year as well as sharing in many constructive activities. The members are informed of the responsibility and importance of teaching. Each year the club visits Mansfield State Teachers College in order to gain first hand information on the teaching profession. Elected to hold the offices were: Sophie Pryslopski, President; Mary Zimmer, Vice-President; Phyllis Ackley, Secretary; Nancy Pryslopski, Treasurer; and Maxine Miller, Newspaper Reporter.

PHOTOGRAPHY CLUB

Although the Photography Club is small, its influence is widespread. Since the club members are responsible for numerous pictures which appear in the yearbook, most of their club period is spent on this work. They do their own developing and printing and are experienced in many other phases of photography. These boys are genuinely interested in this type of work and are constantly seeking new methods and materials which help to improve their work.

SKETCH CLUB

A fairly new but popular club among the students is the Sketch Club sponsored by the art instructor, Mr. Layman. He is assisted by the president, Elaine Cole who has charge of the meetings. During the club period the members are given a chance to study the type of art which is most interesting to them. Often they visit nearby points of interest and gain first hand experience of sketching what they see. This club provides an excellent opportunity for the individual to develop his artistic ablity.

Sutherland, DeKay, Sheridan, Alteri, Russell, Gorsline.

WOODWORKING CLUB

A new opportunity offered to senior high boys this year is provided by the Woodworking Club. During the club period the members become familiar with various woodworking processes using hand tools and machinery. Under the direction of Mr. Swavola the boys acquire skill in constructing useful articles of their own choice. The more experienced members are allowed to proceed at their own pace on more difficult projects.

LIBRARY COUNCIL

The majority of senior high girls who have a profound interest in library work usually join the Library Council. Here under the proficient guidance of the school librarian, Miss Matanle, the girls are taught the background of library work. They learn the various systems used in filing and checking out books. The club is divided into four groups, each having a specific job. They are responsible for repairing old books, arranging and sorting magazines, preparing new books for use, and keeping the library conference room neat. Each member has a chance to work with two of these groups during the year.

TYPING CLUB

The Typing Club this year is similar to a class in personal use typing. Any senior high student who is interested in learning to use the typewriter correctly and is not enrolled in a regular typing class may join the club. The adviser, Miss Bouton, teaches the members the basic typewriting skills. When they have successfully mastered them they are taught the correct procedure in typing business letters, envelopes, outlines, and other such materials which may confront them in daily work. At the termination of the club program the student is expected to be able to use the typewriter correctly and efficiently.

BASEBALL CLUB

The Baseball Club, being held for the first time this year, was organized mainly for the instruction of the prospective candidates for the baseball team. At the regular meetings of the club, Mr. Hunt teaches in classroom style the art and science of baseball. As the club is held on a classroom basis, no officers were elected. Through this club Mr. Hunt hopes to instill in the boys a thorough knowledge of baseball.

GRIDIRON CLUB

With a membership of approximately fifty boys, the Gridiron Club is an activity open to any male member of the student body who desires to learn more about modern day football. The club meets once a week with Mr. Downing to discuss the important phases of the gridiron game. Movies illustrating facets of offense and defense are also shown. Each member has a notebook in which he places important mimeographed material. This notebook is the key to football knowledge.

DANCE BAND

A comparatively small but popular and spirited group of musicians comprise the Dance Band. At their meeting each week with Mr. Hauver they learn the proper way to play dance music as well as other types of music. However their activities extend far beyond this allotted time. Since they are adept at playing jazz and dance music they are much in demand whenever there is an informal dance. They also set the snappy pace for pep rallies and the "Redskin Revue."

CHESS AND CHECKER CLUB

Introduced this year by Mr. Weiss, the Chess and Checker Club has proved to be quite popular. Since they have a genuine liking for these games, the thirty-five boys who comprise the club are interested in learning the skills necessary in order to play. The club is divided into two groups. This gives the individual a chance to play the game which he likes best. The members played a series of tournaments throughout the year. The prospect of winning a prize for the most victories promoted a spirit of friendly competition among the teams.

HI-Y

In its initial year is the Hi-Y Club for junior high school boys. Similar to the Tri-Hi-Y it is a branch of the Young Men's Christian Association. The intention of the club is to promote the physical and mental development of its members. The emblem of the club signifies the perfecting of mind, spirit, and body, and faith in Christ. Weekly devotional meetings are under the direction of the Chaplain, Eugene Osmun. Other officers working with the adviser, Mr. Chaffee, are: President, Charles Bennett; Vice-President, Sam Orlowski; Secretary, Richard Park; and Treasurer, Sam Angelo.

Seated: Vough, Seibel, Brown. **Standing:** Seibel, Mays, Springer, Marshall, Sheridan, Miller.

ADVERTISING CLUB

The advertising staff of the yearbook comprises the Advertising Club. They use this period to work on this section of the yearbook and to obtain advertisements. The Advertising Manager, Sandra Seibel, works with the adviser, Mr. Beagle, and the remainder of the staff in arranging the dummy. When this work is satisfactorily completed the club is dissolved and the members are free to attend other clubs of their choice.

JUNIOR TRI-HI-Y

One of the most respected and progressive clubs in junior high is that of the Tri-Hi-Y sponsored by Miss Stocum. It is open to all junior high girls. Being a branch of the Young Women's Christian Association, its aim is to further the religious and social standards of modern youth in school and outside activities. Conducive to this aim are the weekly devotional services conducted by the Chaplain, Louise Bolich, and the inspirational topics presented to the club by various speakers. Frequently the members are invited to attend meetings in other towns. The following officers planned and presided at the meetings: President, Ann Bastion; Vice-President, Sharon Jordan; Secretary, Bonnie Moore; and Treasurer, Arvilla Arey.

EIGHTH GRADE SCIENCE CLUB

The mysteries of the scientific world are gradually unfolding for the Eighth Grade Science Club. Their objectives are to make members aware of science in our world, to develop leadership and responsibility, and to provide an informal workshop atmosphere for developing scientific interests and hobbies.

Miss Miller, as sponsor, guides all research into the miniature world through the use of the microscope, simple experiments, scientific current events, field trips, and other special projects. She is assisted by a very capable staff of officers including President, Martha McCutcheon; Vice-President, Carol Davis; Secretary, Mary Miller; Treasurer, Cynthia Bendock; Reporter, Marion Geiger.

NINTH GRADE SCIENCE CLUB

The science enthusiasts who form the Ninth Grade Science Club are an extremely ambitious group. They are interested in furthering their knowledge of science and do so through the media of experiments and demonstrations. Some of these activities relate to material presented in class while others are optional in nature. Studies of aviation, radio, and electronics are special projects. During the spring months the group varied their program with nature field trips. As adviser, Mrs. Daddona succeeds in showing these students some of the marvels of the scientific world.

SEVENTH GRADE SCIENCE CLUB

Organized by Mrs. Flynn for the purpose of giving her students a more complete and diversified knowledge in the field of science, the Seventh Grade Science Club has arrived at a unique system for attaining this goal. Each week the club studies the latest issue of "Current Science." Under the direction of the club officers, Earl Maurer, President; Judy Maxim, Vice-President; Anne Deubler, Secretary; and Sharon Wolcott, Treasurer, the members often present detailed reports on various articles appearing in the magazine. Through these topics of research and discussion the club members acquaint themselves with the most recent scientific data.

SAYRENADE

EDITORIAL STAFF: **Row 1:** Loomis, Seibel. **Row 2:** Titus, Welch, Maurer. **Row 3:** Braund, Kaplan.

Publishing a yearbook constitutes the major undertaking of the Senior Class. It requires long hours of hard work and the cooperation of the entire class in order to obtain the essential information and finances.

Pioneering the "Panoramic" in its introductory year has confronted the various staffs with many unfamiliar problems. Nevertheless the literary staff under Mrs. Wildrick, the typing staff directed by Miss Bouton, the art staff under the instruction of Mr. Layman, the advertising staff sponsored by Mr. Beagle, and the photography staff on their own initiative were successful in overcoming all difficulties.

Each staff, by combining its best efforts with those of the respective adviser, submits its share of the work which is then assembled for shipment by the editorial staff.

The majority of students working on the yearbook are seniors. However, each year a limited number of juniors, selected by competitive tryouts, are trained to be better prepared for the production of their own yearbook.

Having the "Panoramic" as a criterion, the yearbook staff has indeed worked diligently to make the 1956 "Sayrenade" an outstanding annual.

CHIEFTAIN

ART STAFF, **Seated:** Chamberlain, Kaplan, Beahan. **Standing:** Talada, Worbleski, Beahan, Williamson, Merrick, Miller.

A popular publication is the "Chieftain," the magazine written and produced by the students, which appears three times a year. The staff of the magazine consists of the literary, art, production, and business departments.

One of the most difficult jobs of the co-editors, Charles Carroll and Arlene Kaplan, is to make certain that material is handed in on time to meet the deadlines. After approval by Mrs. Holst, the literary work is assembled into dummies by the co-editors. Both the art and production departments receive a complete dummy to facilitate their work.

The articles are appropriately illustrated by the art staff under the close supervision of Mr. Layman. Mr. Cooley directs the students of the business curriculum in typing and mimeographing the pages. The finished magazines are distributed to the student body by the business department, aided by Miss Bouton.

A great amount of work went into a magazine sales campaign, one of the major staff projects this year, in order to send delegates to the Columbia Scholastic Press Conference.

Work on the "Chieftain" offers invaluable experience in the field of journalism.

On March 26, 1955 the Juniors staged their class play "A Double Barrelled Detective Story" by Mark Twain, under the direction of Miss Geraldine Stocum.

The memorable story, imbued with mystery, humor, and a touch of romance, and abounding in exceptional characters and priceless situations gave the cast a complicated adventure in dramatics and captured the fancy of the audience.

Because the play occurred in a midwestern town during the 1800's its production required considerable costuming and staging to achieve the desired atmosphere.

Intricate timing and ingenuity were the essentials in producing the lighting and sound effects.

The co-operation of all concerned contributed to the outstanding success of the play.

"Seventeenth Summer," a story revolving around the natural yet seemingly complex problems of a teen-age girl was chosen to be presented as the senior class play on November 18, 1955.

Under the direction of Miss Eleanor Miller the cast thrived on thorough instruction and long hours of practice which, despite everyone's last minute doubts, produced one of the best senior plays in many years.

The plot was animated with the humor of a thirteen year old, the troubles of the father in keeping his four daughters under control, and the slyness with which Angie's girl friends succeeded in upsetting her plans for a wonderful summer.

All in all the play proved to be a heart-warming experience for the audience and a touching episode added to the history of the Class of 1956.

REDSKIN REVUE

Students from the seventh through twelfth grades made their debut on "Television" on February 4, 1956, as they starred in the annual production of the "Redskin Revue." Complete with "commercials" and an appropriate backdrop, a large audience enthusiastically received the program, the proceeds of which are used to finance the noon movie program. As masters of ceremonies, Glen Snyder and Charles Carroll kept the song and dance routines, instrumental numbers and novelty acts moving at a rapid pace.

MAY FESTIVAL

The grand entry of more than 1,000 students from all Sayre schools terminated many hours of practice and preparation as the annual May Festival got under way on May 18, 1955, in the Lockhart Street Stadium. Closing the line of march were the lovely members of the May Court riding in shiny convertibles. The climactic moment arrived as Clarence White crowned Miss Agnes Adam "Queen of May" and escorted her to the majestic throne atop an authentic elephant. Continuing the "circus" theme was the Ringmaster Thomas Scanlin who introduced the series of performances by the circus personnel. Several genuine clowns added extra spirit to the program. As the queen was escorted from the throne followed by her attendants and the remainder of the participants, the fourth May Festival was brought to a successful ending.

JUNIOR PROM

The social event of the junior year was the annual prom on May 6, 1955. The decorations followed the theme of "Spring Fantasy" which lent itself very well to the canopy of misty green and white crepe paper originating at the center of the gym.

Deviating from the usual pattern, there were two centers of attraction, one a unique flagstone pool in the center of the floor which displayed a miniature fountain, flowers, and goldfish. The other was the lovely queen's throne at the end of the gym which was surrounded by a flower garden complete with a birdbath and stone fence. The chaperons relaxed in a setting of lawn furniture.

Connie Smith was crowned "Queen of the Prom" by the class president, Charles Carroll.

Don Alliger and his orchestra presented the enjoyable music for the occasion.

SENIOR PROM

On the night of November 11, 1955 many couples attending the annual senior prom danced to the music of Don Alliger in a heavenly setting of shaded blue streamers and white stars.

The theme "Stairway To The Stars" was effectively carried out in every aspect of the decorations.

A giant sparkling star atop a wide stairway at the far end of the gymnasium commanded the center of attraction. Jutting from the star to form its base was the elaborate queen's throne, covered entirely with white.

Set against a blue star-studded background this stairway to the stars provided a lovely setting for the coronation of the queen, Elaine Cole, by class president, George Beahan.

An unbroken sea of blue streamers originating from a large white star suspended from the center of the gym combined with large stars at the side to entirely surround the dance floor.

Everything considered, the seniors' last formal was the perfect dance.

Kaarina arrives via the Black Diamond

For the third consecutive year Sayre High has had the privilege of sharing an experiment in internal understanding as they entertained a foreign student under the sponsorship of the Herald Tribune Youth Forum. This year the hostess, Geraldine Scott and her family welcomed Miss Kaarina Mantyla of Turku, Finland, into their home. During her two weeks visit in Sayre, Kaarina shared a common experience of discovery with the students as she became a temporary member of our school. Endowed with a sparkling personality, a gay sense of humor, and intellectual curiosity, Kaarina easily adapted herself to the pace of teen-age life. Since a large part of her time was spent in attending classes, Kaarina chose those with which she was least familiar.

Among her many new experiences were tours of the Robert Packer Hospital, Evening Times, Corning Glass Center, and several other industries.

Kaarina was presented to the public in her native holiday attire at the "Redskin Revue" and before a special meeting of the P.T.A. where she delivered a talk on Finland. These were her only official public speaking engagements.

At the going away dinner party held in Kaarina's honor, the Senior Class presented her with an engraved identification bracelet as a token of their friendship.

Throughout her visit Kaarina provided a unique stimulus for Sayre students to increase their knowledge and thus understanding of other peoples.

CAREER DAY

"Planning Today for the World of Tomorrow" is indeed a well chosen phrase which expresses very concisely the meaning of Career Day.

Now in its sixth year, Career Day has become an integral part of the guidance program.

The fundamental purposes of Career Day are: to stimulate the students to consider their life's work; to broaden their vocational and professional horizons; and to afford the students an opportunity to discuss several different possibilities with experienced personnel in various occupational fields.

In order to accomplish these purposes Miss Prince begins planning for Career Day early in December. After an initial survey of pupil interest she endeavors to obtain those speakers who are able to give information on subjects of particular interest.

Jobs which are popular among the student body include those in the field of aviation, building and construction, chemistry, engineering, Federal Bureau of Investigation, forestry, beauty culture, laboratory and x-ray technician, interior decorating, and airline stewardess,

However these number only a few of the forty speakers which make Career Day such an outstanding event.

The schedule for Career Day calls for vocational conferences with these speakers during the morning. At 1:30 a general assembly is held which provides an opportunity for the student body and interested parents to hear an outstanding speaker from the field of education. Following this about twenty-five college representatives hold interviews in the gymnasium for the purpose of acquainting the juniors and seniors with their respective colleges. Those students not wishing to attend the interviews participate in another vocational conference.

A number of students serving as student guides assist in registering and ushering the guests about the school. Others helping with Career Day are the cafeteria personnel and the Home Economics girls who serve luncheon to the faculty and the Career Day guests.

Labeled "Tomorrow is Your Responsibility," the 1956 Career Day on March 13 was a great success for the senior high students.

The outstanding speaker of the day was Dr. Blake Tewksburg, president of Keystone Junior College at La Plume, Pennsylvania, who spoke on "Prospects for Teen-Agers—Educational and Vocational" at the general assembly. There was the usual number of excellent vocational conferences and college interviews which stimulated the future outlook of the student body. Following Career Day, on March 15 the juniors and seniors were privileged to hear talks by members of the armed forces.

TRUMPET TRIO

SENIOR BAND

Many students throughout the school select the band as their major extra-curricular activity. Although time-consuming, the band offers many opportunities and is extremely worthwhile.

During the football season the band utilizes every free activities period perfecting routines, marches, novelty and popular tunes in order to present a smoothly executed half-time show.

In center field, prior to each game, an impressive effect is achieved by the Drum and Bugle Corps as they unite with the band in rendering the national anthem.

The schedule of events during the football season called for journeys to the games at Mt. Carmel and Towanda as well as participation in the valley Halloween parades.

At the close of the football season the band gradually accustoms itself to a change in style and tempo and settles down to the routine of Tuesday and Friday rehearsals in preparation for the annual spring concert on March 2.

In addition to the usual marches and jazz selections the comprehensive program of music includes semi-classical, popular and contemporary numbers.

Adding variety to the concert was the presentation of "The Three Cardinals" by the talented Trumpet Trio with the band accompaniment dimly audible in the background.

Also on the night of the concert the senior majorettes and band members were presented with white award sweaters as a token of their participation in the band.

Six band members were fortunate to have the opportunity of augmenting their experience in the music field by taking part in the Northeastern District Band at Canton on January 12,13,14.

Other activities involving the band were the Memorial Day Parade and May Festival.

Throughout the course of the year the band sponsored many money-raising activities. These kept the officers—President, Fred Daniels; Vice-President, Carlo LoVecchio; and Secretary-Treasurer, Sam Williamson—busy arranging the necessary details.

Arriving at the completion of a highly successful year, the band members enjoyed themselves at the annual band picnic.

MAJORETTES

The majorettes are a very striking outfit as they strut before the band in their white and gold uniforms.

This precisioned group is chosen by the band director and a few faculty members on the basis of ability to strut and to twirl a baton. These qualities along with appearance, personality, and compatability make up the good majorette.

The capable head majorette is Phyllis Harris, a senior. Under her direction the majorettes work out special routines for all the half-time shows at the football games. They also participate in all the parades and contribute their part to the annual band concert and the "Redskin Revue."

All these activities require a great deal of time, work and practice sessions. However the majorettes who are graduated and those chosen to take their place receive a special enjoyment and a feeling of accomplishment from their experiences as a majorette.

JUNIOR BAND

The large number of participants in the Junior Band signifies a definite interest in instrumental music among the junior high students. Since some of the members began their instruction in grade school they are now quite well advanced while others are just beginning to realize their interest in music.

The Junior Band is considered as a club and meets during club period every week. However it is compulsory for all junior high students who play instruments. The main purpose of the Junior Band is to acquaint the comparatively new musicians with various phases of band music. They also have the experience of playing with a large group. Under the direction of Mr. Sickler the Junior Band provides excellent preparation for those musicians who later join the Senior Band.

SENIOR ORCHESTRA

Music-minded misses

Under the direction of Mr. Hauver the senior orchestra provides music of an entirely different type and mood from that of the band. It offers students who wish to take a string instrument an opportunity to participate in a musical group. The orchestra is always on hand to play for assemblies, commencement, plays, and other school activities and for a number of years has provided entertainment at the annual Sportsmen's Club Banquet. Playing music which ranges from jazz to the semi-classic gives the members broad experience in various orchestral arrangements. This year a large delegation represented the orchestra at the County Festival held in Leraysville.

The Girls' Choral Club is a regularly scheduled class for any senior high girls interested in improving their singing ability. They meet twice a week in order to attain this goal.

They practice all types of music but among their favorites are folk songs, spirituals, popular, and novelty songs. They also sing selections from current Broadway musicals such as "South Pacific" and "Oklahoma."

The club receives expert supervision from the vocal music director, Miss Peechatka in the correct manner of singing, procedure of breathing and other necessary fundamentals.

From this group a number of competent singers were selected to represent Sayre at the County Music Festival in Leraysville.

There is a special magic in the teenage years—modern jazz, football, dates, and new clothes. It is a period of noise and exuberance, of slang and after-school jobs, of optimism and dreams. Growing up in a confused and confusing world, the teenager feels at once the desire for popularity and belonging, and yet the need for affection, guidance and trust. Well-dressed and automobile-crazy, in the awkward haste to grow up, he suddenly finds himself in a bewildering period of transition from childhood to the adult world of responsibility.

CHEERLEADERS

In the traditional red and blue, the Varsity cheerleaders under their captain Marion Carroll, take the spotlight for quarters, the half and time-out periods during the football and basketball games to encourage the team and muster spirit from the spectators. Seven cheerleaders are chosen annually on their appearance, ability to cheer, and personality. They work throughout the summer practicing cheers, planning pep rallies, and packing confetti for the football season ahead.

This year instead of flowers, the visiting squads were presented Redskin banks as a souvenir from the Sayre High Redskins.

Changing from football season's blue jackets, red and blue beanies, red skirts and saddle shoes to princess-style blue jumpers, red blouses and keds for basketball, the cheerleaders continue to build up school spirit.

During basketball season the J.V.'s cheer at the games too, in blue jumpers, red blouses, and saddle shoes. Seven J.V. cheerleaders are chosen annually from eighth and ninth grades on the same basis as the varsity. They choose their own captain, who is Emma Borits this year.

Together the varsity and the J.V. squad work, presenting rallies, executing cheers, and all in all boosting school spirit for the Sayre High Fighting Redskins.

PEP CLUBS

Under the sponsorship of Mrs. Berkley the junior and senior Pep Clubs promote school spirit and form the backbone of the cheering sections. They are not regularly scheduled clubs but meet as a group only when the need arises. The varsity and junior varsity cheerleaders helped to organize the respective clubs and to teach them the cheers. The clubs back the cheerleaders by participating in the skits at the pep rallies, buying confetti for football games, making various posters and signs, and sponsoring a cheering section at the football games. The junior high club also helped to finance the purchase of the junior varsity cheerleaders' outfits by selling candy and holding a dance. Each club has its own officers.

All-Valley Football

A tremendous crowd saw the Sayre Redskins open their 1955 football season against a very powerful Mt. Carmel eleven in the Mt. Carmel stadium. The Tornadoes overcame Sayre 18 to 0, but it wasn't easy. Sayre held their ground attack down to a minimum but Carmel's air attack threatened seriously. Co-Captains Harry De Kay and Carl Comstock led the Redskins in their 44 yard march on the ground and their 62 yards in the air.

The Redskins overpowered a strong Canton 11 for their first win of the season by the score of 14-7. Ed Carpenter and Leland Hakes scored for Sayre with Comstock kicking the extra points. On several occasions, Canton threatened close to the Sayre goal but were met by a stubborn defense and held to only one touchdown.

CHAMPS

In a wild game the Redskins triumphed over a tough Athens team 13-6 for their second win of the season. Both teams played a hard and vicious game, and Sayre had to come from behind to win. Sayre's passing seemed to be the deciding factor as it set up both touchdowns and scored one on Comstock's throw to Hutsick. The most spectacular play occurred late in the game when Joe Arcesi, a guard, picked up an Athens fumble and ran a hard 85 yards to the goal, but the play was called back on a penalty.

For their third win of the season Sayre defeated a strong Troy team in what would seem to be a close one 25-21; however, the Redskins had control over the entire game. De Kay and Comstock each scored two of the four touchdowns with Comstock making the one extra point.

Sayre's next meeting was with Forty-Fort, and it was a thrilling one. Although it rained steadily through the entire game, the few hundred fans that sat through it saw a remarkable display of talent as Comstock took to the air to help Sayre win 24-12. Carpenter, White, De Kay and Baker scored for Sayre. Forty-Fort looked strong in the first half but it was an all-Redskin second half.

In the biggest surprise of the year, the Waverly Wolverines stunned the Redskins into an 18-7 loss. It was Sayre's second loss of the season and the hardest to take. Waverly, who had won only one game previous to the Sayre meeting was up in spirit for the game. Sayre was unable to score until the last play of the game when De Kay drove over and then ran again for the extra point.

The Redskins journeyed to Towanda where they captured the Roosevelt Trail League title for the second year in a row by winning 20-7. It rained steadily during the first half when Sayre scored all of their touchdowns, two by De Kay and one by Roger White. Larry Cole kicked the extra point. Towanda's lone score came in the last quarter on a freak play as a Towanda receiver caught a pass in the end zone after it had been deflected by White.

The 1955 campaign ended with a well executed victory over Corning Free Academy, 20-6. Sayre dominated the game from the third play when Roger White ran 54 yards for Sayre's first score. Sayre's other two touchdowns were scored by Comstock and Nobles. De Kay kicked the two extra points.

Playing their last game for Sayre were Hutsick, Baker, Snyder, Cole, Arcesi, Fisk, Comstock, De Kay, Carpenter and Peet.

To open the 1955-56 basketball campaign, Sayre traveled to LeRaysville and downed the boys of Northeast Bradford High 44-34. Co-captain Carl Comstock led the Sayre scoring with 17 points. In the first home game of the season, the Redskins defeated Bath, 47-40. Carl Comstock and Joe Arcesi shared scoring honors with 17 points each. For their third victory in as many games, it was Sayre over Wellsboro 60-43 paced by Austin Snyder with 17 points. In their first RTL game of the season, the Redskins, led by Bill Maurer with 12 points, walloped Canton 54-40.

Probably the most thrilling game for either team was the Sayre-Towanda contest which saw the Black Knights nip the Redskins 67-65 in a double overtime. High for Sayre was Roger White with 22. Wyalusing next upset Sayre 60-48 as the Welliver men were hampered by injuries.

Sayre next entertained the defending RTL champions from Athens losing 62-48 after a nip and tuck first quarter. Then in a game that could have gone either way until the half, Sayre bowed to the superior height of the men from Johnson City. It was Comstock with 24 points as Sayre lost 78-68.

Getting off to a 23-4 first quarter, the Redskins had their revenge at the expense of Towanda 62-52. Following this the Red and Blue had a bad night in an away game with Troy, losing 47-28. Roger White was the evening's high scorer with 11 points. In a Valley League game Sayre bounced back with a big last quarter as they thumped Waverly 58-43.

In the return game with Canton, Sayre still found it hard to win away from home as they lost another close one 48-47. Returning home to play Wyalusing, the Redskins stayed out of the RTL cellar winning 46-42. The following night saw Sayre come from a first period 15 to 2 deficit to take a close one from Bath 57-56. The second Athens game was also a thriller as the visitors from Sayre almost ruined Athens' undefeated record. Bill Scanlin's 23 points were in vain as Athens downed Sayre 67-66.

The Sayre High School Baseball Redskins opened their 1955 season with an impressive win over Troy, 10 to 6. Joe Carmody started on the hill for Sayre and was relieved by the freshman pitcher, Jack Nittinger. Tom Page was the stick with a home run and a double in three trips. Joe Arcesi also had two hits.

On April 22, the 'Skins traveled to Canton where they were downed by a hard-hitting Canton nine, 11 to 4. Nittinger was the starting pitcher, relieved by Carmody in the fifth.

The Black Knights of Towanda invaded Sayre on April 26. The Sayre club fell to Towanda's ace hurler, Jack McCracken, 7 to 1. Ray Nobles and Bill Scanlin had the only two hits for Sayre. Carmody started, relieved by Dan Twigg in the fifth.

April 27 saw Sayre visit Waverly for a non-RTL game. Bob Masteller, Waverly's south-paw ace, led his team to a 9-1 win, allowing only two hits. Jack Nittinger went all the way for Sayre but was hurt by his team's errors. Austin Snyder with a triple and Maurice Farrell with a single had Sayre's only hits.

The Redskins traveled to Wyalusing on April 28 where they dropped a heart-breaker, 3 to 2. Joe Carmody worked the whole game for Sayre. Tom Page led the hitting attack with a single and a triple in three trips.

The Athens Bulldogs played host to Sayre on May 2, as bad luck seemed to come in bushels for the 'Skins. Athens shot from the small end of a 7-5 score with three runs in the last of the seventh to win 8 to 7. Tom Page and Charles Carroll had a double apiece, and Ray Nobles blasted a triple.

On May 5th, Sayre welcomed Canton in weather unfit even for ducks. Canton won 10 to 8, but again Sayre's errors were deadly. Nuttinger started and was relieved by Twigg in the seventh. Page, Carmody, Nobles, and Snyder each had two hits for Sayre.

The Redskins journeyed to Troy on May ninth where the Trojans got more than even for their first loss to Sayre by winning 21 to 2. Making the best of Sayre's 11 errors, Troy scored run after run on Sayre's four pitchers. John (Yogi) Carroll had two hits in two trips.

Seeking revenge the Redskins went to Towanda eager for a win but a strong Towanda nine shut them out 15 to 0. Carmody and Nittinger worked the hill for Sayre but again suffered from the team's misplays. Joe Carmody slammed a double for Sayre's lone hit.

May 16th witnessed a hard-hitting slugfest between Sayre and Wyalusing. Although Wyalusing won, 20 to 13, the 'Skins looked good and fought hard. Carmody and Nittinger pitched for Sayre. John Carroll and Maurice Farrell were the outstanding hitters with three hits apiece.

The Blue and White Bulldogs invaded Sayre on May 19th. Sayre's hitting was good but seven errors in the field hurt pitchers Carmody and Nittinger. Carmody blasted a grand-slam homer and Page and John Carroll had two hits each, yet Sayre lost 9 to 8.

The loss to Athens ended the RTL games and Sayre finished with a 1 and 9 record.

On May 23 the Wolverines threw Gay and Boyle against Nittinger and Carmody as Waverly won 9 to 3 in the final game of the season.

TRACK

The Flying Redskins of the 1955 team opened their season on April 20th by defeating Wyalusing 110 to 8. Sayre took all three places in six of the fourteen events. Bucky White and Roger White were the leading individual scorers for Sayre.

Sayre dropped its second meet to Athens by the close score of 62½ to 55½. The meet wasn't actually decided until the last event. Willard Baker led Sayre by winning the 220 and the high jump.

The Redskins traveled to Troy on April 29th where they took ten of the thirteen events to defeat Troy 69½ to 43½. Bucky White, Willard Baker, and Roger White again led the Sayre trackmen in piling up the points.

A dual track meet was held on May 3rd with Sayre playing host to Williamsport. Sayre won 67½ to 50½. Coach Glen Haggerty borrowed Tom Page from the baseball team and was rewarded by his winning the 100 yard dash, the 220, and the broad jump. DeKay won the 440; Peet, the 880.

On May 7th Sayre went to Athens to take part in the four-team Bradford County Meet. Athens won with 81, Sayre was second with 77, Troy third with 34, and East Smithfield, fourth with 6. Although Sayre was second, they took seven first places, Page winning three of them, while Athens took five. In winning the broad jump, Page set a track record with a leap of 19 feet, 9½ inches.

On May 11th, a six-team invitation meet was held at Sayre with Sayre winning, 18 points in front of the second place team. Willard Baker and Bucky White had Sayre's two first places.

The third annual Valley Meet was held on May 14th between Sayre, Athens, and Waverly. Athens won on 48½ points, Sayre was second with 40½, and Waverly was third with 26. Bob Peet won the 880, Willard Baker won the 180 yard hurdles, and Page won the broad jump. Page's jump was the longest in this area in recent years: 20 feet, 8¾ inches.

Sayre took part in the District 4 Meet on May 23rd. The Redskins won with 80½ points, Athens was second with 65½ points, and Troy was third with 44 points. Page scored his third triple of the season winning the 100 yard dash, the 220, and the broad jump. Baker again won the 180 yard hurdles and Bucky White, Harry DeKay, and Bob Peet won their respective events.

WE SHALL LONG REMEMBER . . .

These material objects symbolize graduation, the aim of every teenager. Even though it means the end of the fellowship, cooperation, and school spirit that we have shared during our years together as a class, the thought of graduation brings back all the memories—little things put aside or half forgotten—which have indeed brightened our school life.

And yet graduation signifies much more than this. It carries with it a new sense of freedom and responsibility and presents the challenge of new opportunities already unfolding before us.

In subsequent y e a r s while leafing through the events recorded on these pages we shall again renew our cherished memories, which time cannot take from us.
